Promotion review boards will take place during the first meeting of the month.

Promotion boards should be scheduled two weeks before but NO LATER than one week before the expected review date. This would make it necessary to have all promotion requirements completed by the 3rd week, which is when Aerospace Education takes place.

Descriptions are to be typed. Everything else may be handwritten, legibly.

Promotions will take place during the second meeting of the month. [The commander will review any exceptions.](#)

Promotion boards will not occur unless this form is completed in full and returned to the designated recipient at least one week prior to the requested review date.
